

**As an affiliated member of ECMM you are invited
to access the speaker materials of TIMM 2015**

Please follow these steps:

1. Go to <http://e-materials.com/timm2015/invitation/Member>
2. Create an account and log in.
3. Review available materials and abstracts and access presentations that interest you as PDF files and webcasts.
4. Engage in scientific exchange: ask questions to speakers, rate presentations and invite your Peers to access the TIMM portal as Guests.

You will also find information about other educational activities offered by our sponsor on the webpage and contact information should you require any assistance accessing the materials.
