

15th Scientific Meeting of the NSMM

“The Whys and Hows of invasive fungal infections” or why do we get them and how can we better deal with them

Seminarrom 1 B2 U001, Oslo University Hospital, Rikshospitalet, May 24th, 2018

May 23rd: 19.00: Dinner
May 24th: 12.00: Annual General Meeting

Opening ceremony

09.30 **Opening remarks and welcome**
Ingvild Nordøy (NO), Local Organizing Committee and President, NSMM

Why patients get fungal infections

Chairs: F. Müller & I. Nordøy

09.45 **Immunology and mechanisms: Why do people get invasive fungal infections?**
Teresa Zelante, Univ. Perugia, Italy

10:25 **What is in the genes?**
Anne Puel, INSERM, Paris, France

11:10 Coffee break & Exhibition

Chairs: R.K. Hare & K.W. Gammelsrud

11:30 **Non-genetic disposition for invasive fungal infection – data from Denmark and Norway**
Liv Hesstvedt (NO) and Karen Rokkedal Lausch (DK)

12:00 Annual General Meeting

12.15 Lunch

Medical mycology on Iceland

Chairs: H.C. Erichsen & M. Arendrup

13.15 **Candidemia and invasive candidiasis in Iceland - a long term nationwide study**
Magnus Gottfredsson, Reykjavik, Iceland

Antifungal stewardship – how can we get better?

Chairs: H.C. Erichsen & M. Arendrup

13.45 **The role of surveillance**
Jørgen Bjørnholt (NO)

14.05 **Better diagnostics and interpretation of findings?**
Cecilie Torp Andersen (NO)

14.25 Coffee break & Exhibition

Chairs: D.M. Saunte & V. Özenci

14.45 **Better medical treatment?**
Ingvild Nordøy (NO)

Presentation of ongoing projects

Chairs: D.M. Saunte & V. Özenci

15.05 **Molecular mycology at SSI**
Rasmus Krøger Hare (DK)
Rapid ID projects
Volkan Özenci (SE)
The Norwegian PCP project
Ingvild Nordøy (NO)

15.35 Coffee break & Exhibition

Interesting mycological cases

Chairs: N. Kondori & E. Poikonen

15.45 **4 cases**
Pernille H. Sørensen (DK)
Mari Ala-Houhala (FI)
Måns Ullberg (SE)
Karianne W. Gammelsrud (N)

16.45 Have a safe trip home!
