Report from the President

Scientific meetings and courses

12th NSMM meeting was held in Helsinki “Man Meets Fungi” 21st May 2015. The meeting was well attended.

European Confederation on Medical Mycology (ECMM) and International Society of Human and Animal Mycology (ISHAM)

Our past President Maiken C. Arendrup, is our current representative to the ECMM and participated in the board meeting in Lisbon during TIMM last Octobre. She was joined by the President of NSMM for the meeting. Launch of “The Academy of the European Confederation of Medical Mycology: leadership and resource in the field of Medical Mycology” was discussed. Next TIMM is in Belgrade, Serbia 6-9. Octobre - see www.timm2017.org.

ERS and ESCMID guideline for the management of **chronic pulmonary aspergillosis** was published online Dec. 23. 2015 and in the European Respiratory Journal in 2016;47:45-68. Parts of the guidelines presented at TIMM previously has still not been published.

For **ECMM website updates** – please visit www.ecmm.eu

We are officially part of ISHAM, but this has no implication for our member when attending Mycoses
