

18th Scientific Meeting of the NSMM

When standard treatment fails

Location: Mærsk Tower, Copenhagen, Denmark

18th NSMM Meeting
Copenhagen
21-22th Sept. 2023

Thursday 21st, 2023

- 13:00 **Opening remarks and welcome**
Volkan Özenci, President, NSMM & Rasmus Krøger Hare, Org. Committee
- Outbreaks I**
- 13:10 **Azole resistance in *Aspergillus fumigatus* - surveillance and typing in DK**
Karen Astvad MD, PhD, & Rasmus Hare, PhD, SSI, Copenhagen, DK.
- 13:30 ***Aspergillus fumigatus* experiences from Århus**
Jan Berg Gertsen MD, DMSci, & Lise Kristensen MD, MSc., Århus University Hospital, Skejby, DK
- 13:50 **What can we learn from *Aspergillus fumigatus* genomes – Key note**
Johanna L. Rhodes, PhD, Radboud UMC, Nijmegen, The Netherlands.
- 14:35 **Coffee break and Exhibition**
- Outbreaks II**
- 15:05 ***Aspergillus flavus* experiences from Rigshospitalet**
Nadja Vissing, MD, Associate Prof, PhD, RH, Cph, DK
- 15:25 ***Aspergillus flavus* genotyping and spore investigations**
Alexander Jacob Kongstad Gewecke, MD, SSI, Copenhagen, DK.
- 15:45 **Coffee break and Exhibition**
- Terbinafine resistant dermatophytes**
- 16:00 **Dermatophyte terbinafine resistance clinical challenges**
Ditte Marie Saunte, Assoc. Professor., PhD, MD ZUH, University of CPH, DK
- 16:20 **Terbinafine susceptibility testing and a resistance overview from DK**
Karin Meinike Jørgensen, PhD. SSI, Copenhagen DK
- 16:35 ***Trichophyton indotineae* in Oslo – Our first experiences**
Christoffer Ingvaldsen, MD, PhD, Department of Dermatology, Rikshospitalet, Oslo University Hospital, Norway
- 16:45 **In vitro photodynamic therapy (PDT) for terbinafine resistant dermatophytes.**
Julia Shen stud. med., Copenhagen University and Roskilde Hospital, DK
- 16:55 **Qs & Closure**

Networking & Meeting dinner: 21st September, 2023, 18:00-21:00

Annual general meeting: 22nd September, 2023, 9:00-9:30.

Friday 22nd September, 2023

- 09:30 **Opening remarks and welcome**
Jannik Helweg-Larsen & Ditte Marie Saunte Org Committee
- Pharmacology**
- 09:40 **Drug monitoring, interactions and special patient groups – Key note**
Anouk M.E. Jansen, PharmD, Clinical Pharmacy, Radboud UMC, Nijmegen, The Netherlands
- 10:25 **New Antifungals: What is in the horizon – Key note**
Maiken Cavling Arendrup, Professor MD, DMSci, PhD, SSI, Cph University, RH, DK
- 11:10 **Coffee break & Exhibition**
- Lung infection**
- 11:25 **Chronic Pulmonary Aspergillosis (CPA)**
Jesper Rømhild Davidsen, Associate Professor, MD, PhD, Department of Respiratory Medicine, Odense University Hospital, Odense, DK
- 11:55 ***Aspergillus* in lung transplant patients**
Cornelia Geisler Crone, MD, Rigshospitalet, Copenhagen, DK
- 12:10 **Pulmonary virus and mould infections**
Marie Helleberg, MD, PhD,, Rigshospitalet, Copenhagen, DK
- 12:25 **Lunch break & Exhibition**
- Immunodeficiencies**
- 13:25 **Primary immunodeficiency and fungal infections**
Jannik Helweg-Larsen, MD, Rigshospitalet, Copenhagen, DK.
- 13:55 **Molecular mechanisms of immunity to viral-associated pulmonary aspergillosis – Key Note**
Agostinho Carvalho, PhD, Life and Health Sciences Research Institute (ICVS), University of Minho, Braga, Portugal.
- 14:40 **Coffee break & Exhibition**
- Selected Nordic cases**
- 15:00 **Dermatophytes as drivers of antibiotic resistance in bacteria (DK)**
Jesper Larsen, DVM, PhD, SSI, Copenhagen Denmark.
- 15:20 **Telemicrobiology for fungal diagnosis (SE)**
- 15:30 **Cryptococcosis case (NO)**
- 15:40 **A challenging *Scedosporium* case (FI)**
- 15:50 **Pelvic Mucormycosis Caused by *Mycotypha microspore* (FI)**
- 16:00 **Closing remarks**
Organising Committee & Volkan Özenci president, NSMM.

Deadlines: visit www.nsmm.nu. Registration: first come, first serve basis.
